

Nu Cen

Mu Cen

NGC 5128

This is a star map of the Centaurus constellation. The background is a light gray gradient. Stars are represented by black dots of varying sizes, indicating their magnitude. Two stars on the left are labeled 'Nu Cen' and 'Mu Cen'. A cluster of stars on the right is circled with a black line and labeled 'NGC 5128'. The stars are distributed across the map, with a higher density in the central and right-hand areas.
